Breed Chase Novak,2012-09-04 Critically celebrated novelist Scott Spencer delivers a Rosemary's Baby-like novel of gothic horror, set against the backdrop of modern-day Upper East Side Manhattan. Alex and Leslie Twisden lead charmed lives-fabulous jobs, a luxurious town house on Manhattan's Upper East Side, a passionate marriage. What they don't have is a child, and as they try one infertility treatment after the next, yearning turns into obsession. As a last-ditch attempt to make their dream of parenthood come true, Alex and Leslie travel deep into Slovenia, where they submit to a painful and terrifying procedure that finally gives them what they so fervently desire . . . but with awful consequences. Ten years later, cosseted and adored but living in a house of secrets, the twins Adam and Alice find themselves locked into their rooms every night, with sounds coming from their parents' bedroom getting progressively louder, more violent, and more disturbing. Driven to a desperate search for answers, Adam and Alice set out on a quest to learn the true nature of the man and woman who raised them. Their discovery will upend everything they thought they knew about their parents and will reveal a threat so horrible that it must be escaped, at any cost.

The Alpha's Breeder Tay T., 2020-01-29 Meet Eros Hall, an Alpha who isn't arrogant, domineering or egocentric, and fall in love just as hard as our main character does. After being kidnapped by a group of vengeful werewolves, Emira finds herself in one hell of a situation. First, she is believed to be a powerful Breeder capable of birthing an army of werewolf warriors in a world where supernatural beings are going extinct. Second, her true soulmate is a powerful Alpha who is hell-bent on keeping her. And third, to make matters worse, she only has six moon cycles to be marked, mated, and pupped. What does that even mean? ***This steamy romance novel contains scenes of adult intimacy and dark situations that can be triggering.*** Reviews I have to be honest, I'm only a few chapters in, but I am enjoying this story immensely that I feel the need to share my thoughts now. First of all, this story is just a great product of the author thinking outside the box. When I first read the title, I expected it to be about a female werewolf who had to be mated to the alpha. Now I'm trying to figure out what kind of species the main character is! Second of all, I've only read the first couple chapters and I'm already hooked. I'm on the edge of my seat, waiting impatiently to see what's going to happen! And the intensity of the kidnapping is very well detailed. As for grammar/spelling/punctuation, I see very minimal to no mistakes at all. I definitely recommend people read this book! Can't wait to read more!—Charlotte Moore This is one of the best book I've read before. Reading this book will make you feel like you're on a emotional roller coaster. It makes you wish you were actually in the book living with all those different people and wolf. I found myself getting attached to all the characters. The storyline is amazing and I love that this book is unique. You will never find a book with a similar plot. Again this is a good book.—Davina Nkasa This book is by far

one of my favorites.—Savannah Burge An amazing story. Captivated from the beginning. Worth reading and falling in love with it.—Sakina Naeem What a brilliant story. I was captured from the very beginning and was pleasantly surprised that it didn't turn out at all like I thought it would.—Tinkerbelle Leonhardt Too awesome! LOVE this story soooooo much and I can't get enough of it. I would recommend this story to anyone who likes to read about werewolves, soul mates, and romance. Love you Tay Tay for writing this awesome story!—Victoria Aye Interesting and addictive. I just couldn't stop reading it.—Angel Agams It's hard to find werewolf stories with a well written plot. There was a background to characters and each scene gave enough description to understand what's going on. This is on my list of good werewolf books to read. I hope you write a sequel!—Rachel Pittman In the beginning I was disgusted by the idea of a 'breeder' and all that crap, more specifically how who finds her first, 'owns' her. But I quickly started to realize that the plot-line could be amazing if written by the right author and that's exactly what happened here. I'm usually not a fan of these kinds of werewolf stories where the 'mate' doesn't have a say. But in this story she does, and she is in a loving and protected relationship. If you like werewolf stories you will adore this book.—Alice This book is a MUST read!! It's sooo good! It has a unique plot line that is not your everyday cliche werewolf novel! The main character, Emira, is so funny and relatable! And don't even get me started on Eros!! He's hot, period. It's different and I HIGHLY recommend it!!—Kari

All Setters: Their Histories, Rearing & Training (A Vintage Dog Books Breed Classic - Irish Setter / English Setter / Gordon Setter) Freeman Lloyd, 2013-03-06 Originally published in the early 1930s, this extremely scarce work on Setters is both expensive and hard to find in its first edition. Vintage Dog Books have republished it, using the original text and photographs as part of their CLASSIC BREED BOOKS series. The author was a much respected dog man of his time. Terhune says of him, I know of no other expert who has Lloyds's peculiarly complete equipment of blended education and genius, along all canine lines. With him dogs are an inspired life-study. Although he penned several important dog books, this is probably his best. The book's one hundred and twenty seven pages contain detailed Chapters on: Setters of Yesterday and Today. The Setter in Art. Early Llewelin Setters in America. English Laverack Setters in America. A Glance at the Past. Scenting Powers. Various Paintings of Setters. Training Setters as Gun Dogs. Force Training Collars. Temperament. Rearing. Reminiscences. Irish Setters. The Black and Tan or Gordon Setter. Points of the Gordon, English, and Irish Setter. Recent Setter Importations. All chapters are lavishly illustrated with vintage photos of famous English and American Setters and their use in dog art. This is a fascinating read for any Setter enthusiast or historian of the breed, and also contains much information that is still useful and practical today. A dog quite unrivalled by any other of the canine species. Maxwell 1833. Many of the earliest dog breed books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. VINTAGE DOG BOOKS are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
